Mauritius is situated 3000 kilometres to the east of the African continent. The diversity of its rich lands extends over 1865km². Its superb 160 kilometres coastline, multi-coloured coral reefs, and picturesque mountains make it the gem of the Indian Ocean.

With average temperatures of 22°C in winter and 31°C in summer, the coastal regions are the ideal destinations for holidays all year round.

The "rainbow" population of approximately 1.3 million consists of Indo-Mauritians, African-Mauritians, Sino-Mauritians and Mauritians with a European background or from mixed origins.
